Our hospitality training programme is open to all ages, whether 18 or 65, all year round. The only requirements are that applicants hold no previous experience and have a strong work ethic.

"What we want to offer at The Hub is not only a practical training programme but life-changing experiences, beginning with being handed an alarm clock to help with those early mornings and a 'rookie' badge. Those who succeed will not only receive graduation honours, they will receive a job guarantee at either one of our venues or one of our carefully selected partners." For more information please visit our website www.16hospitality.co.uk/the-hub

In November 2017 we were awarded a NITA (National Innovation Training Award) for our training.
