

### HOW TO FIND US...

Located on the high street at the heart of this wonderful historic village the Swan has its own private car park.

A regular winner of the Best Kept Village award, Tarporley appears in the Domesday Book of 1086. Back then, Tarporley was home to just eight households, but today is one of the largest villages in the heart of the Cheshire countryside, with antique, curio, craft and fashion shops lining its streets.

It's the perfect location to base yourself if you want to visit Chester or any of Cheshire's many attractions, from family-friendly adventures, romantic walks and beauty spots to golf courses on par with some of the best in the UK, not to mention Oulton Park.
